👤 hanvithSai

## PROFESSIONAL SUMMARY

Aspiring Product Manager with hands-on experience in full-stack development and AI/ML. Combining technical expertise with strategic thinking to build user-centric, data-driven products. Thrives in fast-paced, collaborative environments and passionate about turning complex problems into measurable impact.

## EXPERIENCE

### Business Development Intern Australian Institute of Advanced Technologies

📅 Jul 2025 – Oct 2025

📍 Remote

- Supervised end-to-end website development for AIAT India by coordinating developers and UI/UX designers, ensuring alignment with product vision and user needs, resulting in a 25% improvement in user engagement.
- Designed and implemented an internal customer dashboard using data visualization tools, tracking over 1,000+ customer records to enhance retention strategies and enable milestone-based performance assessments, improving retention by 18%.

### Software Engineering Intern ByteCounsel Pvt Ltd

📅 Dec 2024 – Mar 2025

📍 Remote

- Built an SEO-optimized landing page using Next.js and ShadCN UI for Gaveled, increasing site traffic by 60% within the first month of launch.
- Assisted in developing an AI-driven CI/CD pipeline testing agent, reducing deployment errors by 25% and improving pipeline efficiency for faster product iterations.

## PROJECTS

### ResumeScreener - Autonomous Resume Evaluator

### n8n Workflow Automation, LLMs(OpenAI, Gemini), JSON, Google APIs

- Designed modular n8n workflows to ingest, evaluate, and rank resumes against JDs, supporting 100+ resumes per run with structured logging and extensibility.
- Automated parsing, deduplication, and AI-based scoring, reducing manual screening effort by 75% and achieving 15s processing time per resume.

### Suma - Audience Engagement Platform

### Next.js, Tailwind CSS, MongoDB, TypeScript

- Developed a web application for large-scale audience interaction at events.
- Implemented Google OAuth authentication for secure user access.
- Enabled real-time engagement and analytics to improve event participation and feedback.

## CERTIFICATES
